16TH JUNE - ELEVENTH WEEK OF ORDINARY TIME

Ezekiel 17:22-24; 2Corinthians 5:6-10; Mark 4:26-34

A Synodal Church in Mission - A Synthesis Report of the 1st Session held from 4 to 29 Oct 2023

Church is Mission

Matters for Consideration

There is a need to continue to deepen the theological understanding of the relationships between charisms and ministries in a missionary key.

Vatican II and subsequent magisterial teaching present the distinctive mission of the laity in terms of the sanctification of temporal or secular realities. However, the reality is that pastoral practice at the parish, diocesan and, recently, even universal levels, increasingly entrusts lay people with tasks and ministries within the Church itself. Theological reflection and canonical provisions need to be reconciled with these important developments and to avoid dualisms that could compromise the perception of the unity of the Church's mission.

In the promotion of the co-responsibility of all the baptized for mission we recognize the apostolic capacities of persons with disabilities. We want to better value the contribution to evangelisation offered by the immense richness of their humanity. We recognise their experiences of suffering, marginalisation and discrimination, sometimes occurring even within the Christian community.

Pastoral structures need to be re-organized so they can readily recognise, call forth, and animate lay charisms and ministries, inserting them into the missionary dynamism of the synodal Church. Under the guidance of their pastors, the communities will be able to send people as well as sustain those they have sent on mission. In this way, these structures will primarily be at the service of the mission that the faithful carry out within society, in the family, and in work life, rather than focusing exclusively on internal matters or organisational concerns.

The expression "an all-ministerial Church," used in the Instrumentum laboris, can lend itself to misunderstanding. Its meaning will have to be clarified in order to remove any ambiguities.

Proposals

We need more creativity in establishing ministries according to the needs of local churches, with the particular involvement of the young. One can think of further expanding responsibilities assigned to the existing ministry of lector, responsibilities that are already broader than those performed in the liturgy. This could become a fuller ministry of the Word of God, which, in appropriate contexts, could also include preaching. We could also explore the possibility of establishing a ministry assigned to married couples committed to supporting family life and accompanying people preparing for the Sacrament of Marriage.

Local churches are invited to consider appropriate means and moments of acknowledgment by the community of lay charisms and ministries. This could happen on the occasion of a liturgical celebration in which the pastoral mandate is bestowed.

 Caritas YCC Day is Friday July 5 for Catholic schools across Aotearoa-NZ. All six of our bishops are in this video promoting the event, which this year will support Holy Trinity School in Papua New Guinea. Have fun enjoying a non-uniform day knowing that our gold coin fundraising will help provide new desks, chairs and resources for the students at Holy Trinity, where many are going without at the moment. Last year we combined and raised more than \$32,000 to help Oecusse School in Timor Leste to fix their toilets to bring smiles to their 800 students. Resources for students are available at www.caritas.org.nz/ycc-day. If July 5 doesn't work then schools are encouraged to join in on any other day that suits this year. Let's do it!
 Watch the video to learn about the event and find out what YCC stands for 😊 : https://www.youtube.com/watch?v=UqEsNb_22Dg

Sick members of our parish—Please keep in your prayers all our parishioners who are unwell and please let us know of anyone who may need spiritual assistance.

St Mary's Parish Women's Group - Last Friday we began our meeting by looking at a beautiful booklet from the Catholic Inquiry Centre, Wellington. The Mysteries of the Rosary. It reminded us that the Rosary is a compendium of the entire gospel. This was followed by each member sharing their experiences of prayer that had given them, new strength, hope, joy, or peace at different times of their lives.

Stories for the newsletter: We encourage parishioners of all ages, background and talents to write the stories of their faith journey. What does faith mean to you? How does your faith help you to live your life with its promises and hopes? What does your prayer life mean to you? It is for faith sharing and encouraging one another and to get to know the members of our parish family. The stories can be a maximum of 500 words. Send them to the parish office with a passport size photograph for publishing in the newsletter.

PASTORAL VISIT—Fr. Mathew is happy to visit you and spend time with you over a cuppa. He is happy to pray and bless your home should you consider. If you know someone who would appreciate a pastoral visit, contact the parish office.
